PAUL TIBBETS, REALTOR, GRI, SRES

Beautiful Lee Knight Custom Golf Course Home

Great view overlooking the 18th fairway in The Links at Land's End. Completed in 2004, this open floor plan features integrated family, kitchen and casual dining plus a formal dining room. Enter the study through French doors and admire the floor to ceiling oak shelves plus a beautiful roll top desk. The gourmet kitchen has granite countertops, island, full pantry and extra long breakfast bar. It's also loaded with cabinets and upgraded stainless steel appliances including double ovens and a 5-burner gas cooktop. Additional highlights include ventless gas fireplace in the family room, Nutone communications and security system throughout, large master suite and bath, full 3-car garage and the 500 SF glass enclosed back porch with separate heat and air. And to top it off, a lifetime easement for free water from well next door...save thousands of dollars each year! Seller owns adjacent lot and will make a great package deal to include it. **Call Paul Tibbets to schedule showing.**
